TO : Director of Training

DATE: 22 October 1971

FROM : Chief, Career Training Program

SUBJECT: Weekly Activities Report

1. The ten CTs from the January 1971 Class who will be assigned permanently in the DDI began the Intelligence Production Course on 18 October and are enjoying the course. Sixteen CTs from the same class are taking the Basic Operations Course and according to the faculty are performing well. The two remaining members of this class have already begun their permanent assignments; one in the Office of Logistics, the other in the Office of Security.

2. We are now in the process of organizing the second interim assignments for the July 1971 Class. The Class numbers 27. Four of this group will be assigned to the DDI and arrangements for these assignments have been completed. We have tentative agreement for three others to be assigned to the DDS in the Office of Personnel. The remaining 20 members of this class will have interim assignments in the DDP; so far no difficulties have been encountered in making the necessary arrangements with the area divisions.

3. The Psychological Services Staff/OMS in coordination with the CTP Staff are completing the full assessments for the July 1971 Class. These assessments are designed to aid the Career Trainee and provide additional guidance to CT Program Officers in developing mutually satisfactory ^{mutually} decisions for each Career Trainee. These interviews also offer PSS an opportunity for discussion of the Career Trainee's previous testing results as they relate the Trainee's career plans.
